FUNCTION STYLE

Fat Eddie's is designed for stand up/cocktail style functions (if a sit down meal is your preference Original Sin or The Bealey may be better suited for you).

You are welcome to bring your own decorations and branding for your function. Please note that if this requires significant time to set up/pack down outside of the function time, it will attract a fee.

Please be aware that Fat Eddie's takes no responsibility for any loss of or damage to property brought onto the premises. Also, please note that Fat Eddie's does not have the facility to store any equipment. Therefore, all property must be taken with you at the end of the function. We do have full AV facilities available for hire if required.

BAR ACCOUNTS

Beer. Cider. Wine. Cocktails. Spirits. Non-alcoholics. We've got the lot. Please contact us for our current beverage list.

There are a variety of options for bar accounts:

Bar Tab: As the organiser of the function/account holder, you can specify the range of beverages available on the bar and a limit can be established. Guests can then put drinks onto this account. Once this amount has been reached, our staff will notify you. You can add further funds to the account, or your guests can then pay for them.

Subsidised Tab: Another option is to subsidise drinks. You can specify the amount you wish to pay per beverage. This will be charged to your account and the remaining value will be charged to your guest. Again, you can specify the range of drinks.

Cash Bar: Guests can pick and choose from our full beverage selection and pay individually.
